

Information regarding the Transportation Service monthly pass for work/position as an elected representative

If you have a valid Transportation Service permit and travel continuously to/from work, place of study, or place where you act as an elected representative, you could be entitled to a monthly pass. A monthly pass allows you to travel at the same cost that you would have incurred using public transport. You will be invoiced once a month. An application for a monthly pass must be accompanied by a certificate confirming your course of study, work, or position as an elected representative. The certificate must state the period and times you will be studying, working, or acting as an elected representative.

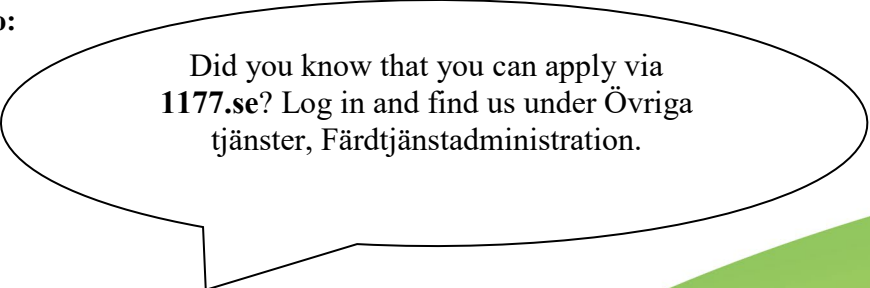

When your application has been submitted, the Transportation Service Unit (Färdtjänstenheten) will make an assessment. Information is obtained in the first instance from you personally. If necessary, information will be obtained from other persons if you have granted your verbal or written consent. Information provided by you and other persons will be stored in a personal data register. Information is protected and processed according to the stipulations in the Public Access to Information and Secrecy Act, and in the European General Data Protection Regulation (GDPR). For further information, please go to www.lanstrafiken.se.

You will receive written notification of the decision. The assessment will be made as quickly as possible following receipt of your application and certificate of confirmation.

Further information about the Special Transport Service Unit is available at www.lanstrafiken.se. Alternatively, you can contact the assessment officer by telephone on 0771-55 30 00, weekdays 10am – 12 noon, or by email at fardtjanstenheten@regionorebrolan.se
